

JOB SEARCH RESOURCES FOR ALUMS

- Use the [MBA Career Services](#) website page dedicated to alumni for active links and information specific to alums.
- Use [Foster MBA Jobs](#) to search job listings for alumni. Call MBA Career Services at 206.685.2410 and get your password to access jobs posted for experienced hires on the alumni jobsite. We welcome job postings if your company is seeking talent.
- Join [LinkedIn](#) and the [Foster MBA network](#), which has 900+ members! Build up your profile, and use it as a tool to connect with other alums and professionals in your field. Consider adding a professional photo (optional) and get a few recommendations from colleagues and clients. [Read this article](#) for more tips on using LinkedIn to your best advantage.
- Join the [UW Alumni Association](#) if you haven't already to access their services, including the UWAA [Husky Career Network](#).
- Set up an automated search using a job search tool such as at [indeed.com](#) to email you specific searches weekly.
- Is your spouse looking for work? [Centerpoint](#) in Seattle can help.
- The Foster School of Business offers **events** throughout the year that are open to alums, which can be a great way to connect with other alums and the business community. Here are a few events during the next six months that may be of particular interest:
 - [The Fostering Innovation speaker series](#)
 - [The Dean's Leader to Legends breakfast series](#)
- We understand that many employees who are laid off will have access to **outplacement services** such as resume and interview preparation and workshops in how to market yourself. We encourage you to take advantage of these opportunities since they will provide you with up to date self marketing strategies and help you polish your approach.
- **Good luck and stay in touch! We welcome your thoughts on other ways we may be able to help.**
